

FORD MINORITY DEALERS ASSOCIATION FUND
Membership Enrollment Form

Ford Minority Dealers Association
P.O. Box 760386
Southfield, MI 48076

The Ford Minority Dealers Association (Ford MDA) is a membership organization. Participation in the Ford MDA is voluntary, however, the payment of dues is necessary in order to be a member. These dues are determined by the Ford MDA Board of Directors and may be changed at its discretion. To remain a member in good standing, these dues must be paid annually.

Ford MDA established and administers a Ford Minority Dealers Association Fund ("Fund") to provide training and other valuable benefits for its members. At the member's choosing, this Fund may replace the payment of annual dues. Dealers who elect to become a member of the Fund, instead of paying the annual dues, agree to remit to the Fund such sum of money of **\$25.00** (Twenty-Five US Dollars) per new vehicle ordered by Dealer, excluding A-Plan and fleet units as set forth described below.

_____ ("Dealer") agrees to become a member of the Fund.
Dealership Trade Name

Dealer hereby requests and authorizes Ford Motor Company ("Ford") to add to our invoices for new Ford or Lincoln vehicles ordered by us, such per unit sum as the Fund, from time to time, may establish in membership by-laws, and advise Ford of, in writing, and to collect this sum from us for transmittal to the Fund.

Dealer understands that, as a convenience to members of the Fund, Ford is willing to collect the per-unit sum by adding the amount thereof to the Dealer invoice for each new Ford and/or Lincoln vehicle ordered by us, and transmitting the same to the Fund. It is understood that in collecting and transmitting such sum, Ford acts only as a collector and has no interest or responsibility other than that of transmitting the sum collected to the Fund.

This request/authorization is effective as of *(insert date)* _____ and shall remain in effect until such time as Dealer notifies Ford MDA, and Ford MDA notifies Ford in writing. Once this request is received by Ford, Dealer acknowledges that it may take up to 60 days for the remittance process to take effect and begin contributing to the Fund. To withdraw from the Fund, Dealer understands that it must notify Ford MDA in writing on Dealer letterhead. Dealer also understands that Ford MDA will notify Ford, after which it may take up to 60 days for the remittance process to cease.
